

REMARKS

This Amendment is submitted preliminary to the issuance of an Office Action in the present application.

Applicant has canceled original claims 1-5 in favor of new claims 6-9 which are intended to present claims in proper form and language and to better encompass the full scope and breadth of the invention. A check in the amount of \$200.00 to cover the surcharge for presenting one independent claim in excess of three is enclosed.

In addition, applicant has amended the specification to present it with proper headings.

A substitute specification which includes all the foregoing changes to the specification (other than the claims) is enclosed herewith.

When the Examiner takes this application up for action, s/he is requested to take the foregoing into account.

Respectfully submitted,

By:
